About MHAC

- Established in 2008
- Born from a need for an affordable, high quality east county club.
- Our goal is to provide the community with a youth program that not only supports the love and elevation of the game, but that is also centered around health, fitness, and overall positive life skills.
- No other east county club can offer girls the benefits of the athletic facility and workable payment plans.

Our Mission:

We believe in...

- ❑ Hard work and working together.
- ❑ Effectiveness and efficiency.
- ❑ Logic and specificity.
- ❑ Facts, not opinions.
- ❑ The little things ARE the big things.
- ❑ Self-discovery and self-improvement.
- ❑ Goal-setting and a growth mindset.
- ❑ Evaluation and “feed-forward.”
- ❑ Gratitude and humility.
- ❑ Achievement isn't measured simply by a scoreboard.
- ❑ Success is the journey, not the destination.
- ❑ We believe there's a win-win situation without the win-at-all-cost mentality.

Our Mission: We believe in...

- At TEAM MHAC, we believe in helping all stakeholders (coaches, parents, players and staff) become the best people they can be. Each individual is a part of our program, our family and ideally, part of the TEAM MHAC legacy.
