

MHAC Volleyball Individual Sponsorship Request

Dear Prospective Sponsor:

Hi, my name is _____. I have been selected to play for the MHAC Volleyball program. MHAC Volleyball is an affiliate of the regional USA Volleyball representative, Columbia Empire Volleyball Association, serving thousands of young volleyball players between the ages of ten and eighteen. MHAC Volleyball competes in tournaments throughout Oregon and Western Washington, and some teams travel beyond the Northwest to compete in other regional and national tournaments.

As a part of a club team, each team member is required to pay membership and tournament fees for the governing association (Columbia Empire Volleyball Association), as well as facility, uniform, and equipment fees. One of the ways that individuals, such as me, can help offset these costs is to obtain individual sponsors who would contribute the fees on my behalf. As a sponsor, your contribution is tax deductible and will go a long way towards promoting healthy activities for the youth in your community. Please make a donation of any amount payable to MHAC Volleyball, earmark specifically for my individual sponsorship on the enclosed form, and return to myself or send to the address below.

As a token of our gratitude in supporting girl's volleyball, we will feature your business, foundation or organization on our website. Contributions of \$100 or more will be displayed on an in-house season banner at Mt Hood Athletic Club.

Thank you for your consideration and support.

With warm regards,

Please make checks payable to: MHAC Volleyball
